

End of Cycle 2016 Data Resources

DR4_002_03 Applications by provider and deadline

UCAS

Statistic: Number of Applications

Variables: Provider Name, Deadline

Coverage: Applications through the main scheme

Definitions

Provider Name

The Higher Education Provider (HEP) at the time of the application. This does not take into account any mergers or renames, for example if HEP A and HEP B merged to become HEP A in 2012, all applications and acceptances will be reported as HEP A from 2012 onwards. Prior to 2012 all applications and acceptances will be reported as HEP A or HEP B as appropriate.

Deadline

The deadline by which applications are required at certain points in the cycle. The number of applications by each Provider are cumulative totals across the following deadlines: October Deadline - 15 October 2015, January Deadline - 15 January 2016, March Deadline - 24 March 2016, June Deadline - 30 June 2016, End of Cycle - Close of the UCAS cycle.

Cycle Year

The cycle in which the application was processed.

Number of Applications

Application is defined as a choice to a course in higher education through the UCAS main scheme. Each applicant can make up to five choices, which was reduced from six in 2008. The number of applications does not include the following acceptance routes: Clearing, Extra, Adjustment and RPAs.
