

End of Cycle 2017 Data Resources

DR3_030_07 Acceptances by detailed subject group and school type

UCAS

Statistic: Number of Acceptances

Variables: Subject Group (Detailed Level), Apply Centre Type, Acceptance Route, Cycle Year

Coverage: UK domiciled and 18/19 year olds

Definitions

Acceptance Route

The acceptance route through which the applicant was placed. Please refer to definitions page for full description.

Apply Centre Type

The type of the school or centre through which the application was submitted, giving an indication of the type of educational establishment attended by the applicant. If an applicant is not applying through a school or centre then the Apply Centre Type will be set to 'Other'. In the interest of keeping a consistent time-series, the most recent school or centre type for each school code held by UCAS is displayed across the time series, regardless of the school or centre type at the time of the application. For example, academies were introduced in 2012. Therefore any schools that were formerly 'Grammar' (or any other type) and changed to an academy in 2012 will be displayed as 'Academy' across every application cycle going back to 2007. Please note: Each school or centre can take only one value for their apply centre type, so numbers are not reported twice if the centre is both an academy and sixth form college, for example. This value is usually assigned by the school or centre themselves.

Subject Group (Detailed Level)

Classifies courses into a detailed level of 215 subjects. Each course is assigned up to three valid JACS3 subject codes (e.g. G100 – Mathematics) and a course balance indicator by UCAS, which are available for review by the provider. The course is assigned a subject based on these JACS3 subject codes and balance indicator, it largely correlates to the first two characters of the subject codes. Where there are more than one JACS3 subject codes for a given course, and the balance indicator is dual or triple, the first two characters of each subject code are reported in combination to a relevant category (e.g. Course with dual balance indicator with JACS3 subject codes L370 = Social Theory and M900 = Others in Law is assigned a subject 'Y Combs of soc studies/law'). Please note: Between 2007 and 2011 the subject codes assigned to each course were from the JACS2.0 classification, therefore JACS3 versions of the subject categories have been approximated for 2007 to 2011 to allow a consistent time series.

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
